Dear Brother/Sister,

Commutation Update Requests

I am, understandably, getting frequent requests for an update on the Commutation Grievances.

I can understand the frustration for members that this issue is taking a long time to resolve, but the current situation is that CLG are considering the grievances and we are expecting a response very shortly.

We have also written to the Pension Ombudsman outlining concerns with the situation and when we get a response an update will be posted on the website and will also be published in the Firefighter.

Yours in Unity
