Dear Brother/Sister

National Joint Council: Pay 2020

The National Joint Council met today by video conference. This included a discussion regarding pay. The FBU set out to the employers the impact on pay and living standards of a decade of austerity, cuts and government imposed pay restraint. The FBU has sought through various approaches to make the case for investment in our service, for an end to pay restraint and for the pay rises we need to start to restore living standards. We have set out our position in a letter to the employers' side of the NJC. The NJC circular, with our letter, is attached.

Best wishes.

Yours fraternally

Matt Wrack
