Circular: 2022HOC0638AD
Date: 23 December 2022
TO: All Members

Dear Brother/Sister

Agreement reached on FBU claim for an additional public holiday: King's coronation

Please see the attached NJC circular (3/2022) which reports that agreement has been reached that the bank holiday announced by the government for the King's coronation will be treated as an additional public holiday.

This follows the submission of a claim by the FBU made in November and reported to members via head office circular 2022HOC0565AD.

We hope you all have a happy Christmas break and a safe and quiet one for those of you who will be on duty.

Best wishes.

Yours fraternally
